

Сtereo усилитель YS-AP50L 50 Вт + 50 Вт

Описание:

Номер модели: YS-AP50L

Напряжение питания: 12...24 В постоянного тока.

Номинальная мощность: 2x42 Вт (8 Ом)

Размеры: 52x52x22 мм.

Особенности:

1. Возможность воспроизведения звука с входа AUX, с входа USB (TYPE C), по Bluetooth (ver. 5.1)
2. Возможность работы в режиме звуковой карты.
3. Механический регулятор громкости на энкодере.

Product description

Product Name: Mini 50W+50W Stereo Bluetooth Digital Power Amplifier

Product Model: YS-AP50L Bluetooth version: 5.1

Transmission distance: 15m(unblocked) Power supply: DC12-24V

Number of channels: left and right dual channel (stereo)

Protection mechanism: power reverse connection protection, short circuit protection, self-recovery overheating protection

Adapter speaker: 30W~200W 4Ω 8Ω 16Ω

Unique function: support YS Audio-APP control

Product size: 52x52x22(mm) Product weight: 100g

Note: The output power of the power supply should be greater than the output power of the power amplifier, otherwise it will affect the sound quality

12V→8Ω/15W+15W, 4Ω/20W+20W
15V→8Ω/18W+18W, 4Ω/greater than 30W+30W
19V→8Ω/32W+32W, 4Ω/greater than 45W+45W
24V→8Ω/40W+40W, 4Ω/greater than 50W+50W

Product parameters

Приложение YS AUDIO для мобильных устройств.
